

YEAR 6 – AUTUMN TERM 2 – ‘ANTARCTICA & CLIMATE CHANGE’

This term in Year 6, we will be studying the effects of climate change on the world as well as how this impacts life in the polar regions.

English

In English this term, Year 6 will be looking at poetry and descriptive narratives. We are continuing with our class book: *Wolf Wilder* by Katherine Rundell.

Maths

This term, we will be focussing on fractions. As part of this, we will be looking at how to apply the four operations (addition, subtraction, multiplication and division) to a range of fractions questions.

Science

In Science, we will be learning about Evolution and Inheritance. We will be looking at how living things produce offspring which can lead to mutations. We will look at how mutations can lead to long-term evolutionary changes over time.

Computing

This term, we will be learning about website design and construction.

Personal, Social and Health Education (PSHE)

We follow the Jigsaw scheme of work. This term, the topic is 'Dreams and Goals'. As part of this, we will be looking at how important it is to understand our own strengths and weaknesses, and how to use this to motivate us to complete our goals.

Geography

In History, we will be looking at the polar regions, focussing on how they are distributed and the main features of their climate. From this, we will extend into looking at how human processes are having an impact on these regions, and the wider impact of environmental change on the global climate.

Design

In Design, we will be creating waistcoats, using a variety of textile skills including sewing.

Music

In Music, we will be focussing on singing and learning songs based on the theme of Christmas.

Religious Education (R.E.)

In R.E., we will be studying the question 'Why do Christians believe that Jesus was the messiah?' In the process of this, we will look at Christian beliefs around Christmas and the impact they have had on the celebration of Christmas today.

Modern Foreign Languages – French

In French, we will learn to discuss healthy living and eating, as well as revising a range of French phonics skills.

Physical Education (P.E.)

In P.E. we will be focussing upon gymnastics, building from basic balances and holds to creating a routine that may include apparatus.
