

Well done!

A selection of Year 3 & 4 and 5 & 6 students attended the Netball 'High 5' Swindon Festival at Dorcan Academy in early March. The teams had never played together before and some had never played at all.

The Year 5 & 6 team did their very best though unfortunately did not reach the next stages.

The year 3 & 4 team were given some brief pointers regarding rules of the game by Mrs Courtney and Mrs Robinson before their participation in the event on 11th March.

The team did tremendously well reaching the final, playing against St Mary's. The final was challenging and the team gave their all, finishing second.....a spectacular Achievement. Well Done!!!
