Dear Parents,

I am writing to inform you that on Monday, 1st December, we will be recording an English lesson as part of the teacher training programme in which Miss Skinner is currently participating. This recording is an essential component of her assessment and will be uploaded to a secure site. Please rest assured that the recording will not be shared externally and will be deleted from the school's recording equipment once it has been used.

The lesson will be conducted as usual, and we appreciate your understanding and support in this matter. If you have any concerns regarding the recording, please do not hesitate to speak with the class teacher. Should you prefer that your child not be included in the recording, arrangements can be made for them to join the other Year 2 class during this session.

Thank you for your cooperation and support. We value your partnership in your child's education and are here to address any questions you may have.

Yours sincerely,

Mrs McCluskey and Miss Skinner
