7th January 2026

Term 3 & 4 Code Club

Dear Parents/Carers,

We will be starting a code club for Y4, 5 and 6 this term. The children will have the opportunity to develop their coding skills using Scratch to create different projects, including short animations and games. The children do not need to have any prior coding knowledge as the projects will be tailored to their understanding.

These sessions will be run by Mrs Bond and take place in the computing room from 3.10pm-4pm.

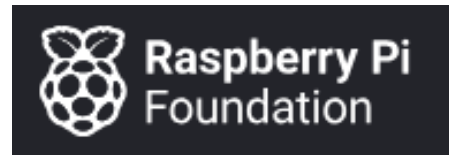

Sessions will be held on:

Term 3 (weeks 2-5)

Wednesday 14th January
Wednesday 21st January
Wednesday 28th January
Wednesday 4th February

Term 4 (weeks 1-4)

Wednesday 25th February
Wednesday 4th March
Wednesday 11th March
Wednesday 18th March

There will only be 15 spaces available so it will be on a first come first serve basis. Please return slips as soon as possible so that we can confirm.

Yours sincerely,

Mrs Bond
