Dear Parents

Re: Red warning for extreme heat/school closure

Due to the Met Office red warning for extreme heat, children will need to be collected on Wednesday and Thursday this week at 1pm. For Nursery and Pre-school, please pick up at 12pm.

This measure, of closing the school in the afternoon, is to take account of the red warning of extreme heat that is anticipated to be closer to 40 c for both these days. We shall be providing school meals as normal.

For tomorrow the school will finish at the usual time. Please can your child have a hat, a water bottle and labelled suncream. For this week children can wear their school PE kit.

Thank you for your support.

Yours sincerely,

A handwritten signature in blue ink that reads 'J Mason'.

Mr J Mason

Principal
